PURPLE AND WHITE '83

To Angela Bond

Awesome young lady that I have known and being around nearly all my life. It has been really great to share my time and your time around each other. We go out together but not enough. We have the same taste when it come to dressing but I am a little better (smile). And to who the main of your life maybe. Young man you better get your head together, because the young is really bad. an d that needs a lover not a players. Just the feel I have for Angela we don't spend as much time as I still care for you as a friend to and. As I close you with these words I'll leave you with Don't let no bad you what you

a very nice + dear sister
to be around. I must say
it is an honor to sign your
yearbook. It has been nice
having you as a sister, when
I needed someone to talk to
you were always there. So where-

to do in life, never forget your
sister. As I close may I say
Stay as sweet as you are, and
you will always be remembered by
me.

International Students

The 1982-1983 school year will be especially memorable for two students, Hilde Nordby and Erica Jägershorn, exchange students from Norway and Sweden respectively.

Hilde, a junior, is living with the Roy M. Bridgewater family, and Erica, a senior, is living with the Nick Korn family. Both girls will be staying in Brownsville until June.

When asked what they liked most about Brownsville and the United States, both Hilde and Erica commented on the friendliness and kindness of American people. Haywood High School and Brownsville were very fortunate to be able to host these two fine young girls, and we will remember them long after they are gone.

Our class, the class of '83, has come a long way from playing boys-chase-girls, climbing on monkey bars, and learning our multiplication table until it was coming out of our ears.

Over the years these times, along with the hardships and times of sharing and happiness, have brought us close together, each of us so individual and yet so much a part of a group. But that's what makes us so unique and special; something to look up to. As SENIORS we learned and experienced that people look to us not only for advice but friendship, confidence, and leadership.

And as we continue in our day-to-day lives, we will look back and remember our times at Maywood High with sincere fondness. For these are the times that built our foundation, our values and our attitudes in our lives now and forevermore.

Taking a look back on our long awaited SENIOR year, it was truly one of the very best! We showed our leadership and quality in many areas: athletics, academics, music, speech, drama, and in spirit and sportsmanship.

Often your tasks will be many and more than you think you can do....Often the road will be rugged and the hills insurmountable, too....But always remember, the hills ahead are never as steep as they seem. And with faith in your heart start upward and climb until you reach your dream, for nothing in life that is worthy is ever too hard to achieve if you have the courage to try it and you have the faith to believe....For faith is a mover of mountains, there is nothing that God cannot do, so start out today with faith in your heart and climb until your dreams come true!!!

We, the class of 1984, are truly great. Our cooperation enabled us to defeat the other classes in all homecoming events. The class of '84 will be remembered as the class that stuck together even after a not so successful sophomore year. Now with all of this experience, we shall go to even further heights next year and make it the most memorable year of our lives. So look out Maywood High - we're about to make our arrival.

Freshman Class Officers

President.....Elizabeth Tyson
Vice-President.....Angie Minor
Secretary.....Jennifer Lovelace

The Class of '86 contributed much to the school this year. Although we put up with quite a lot of teasing from the upperclassmen, our spirit was never deflated. Freshman participation in sports demonstrated our SUPER SPIRIT! The freshman football team was exceptional, and the basketball team proved that even freshmen can be winners. We look forward to the rest of our years in Haywood High.

RATED NO. 1

Brownsville over Germantown: There's no way in the world Brownsville (7-3) should beat Germantown's visiting Red Devils (7-2). But that's what folks have been saying about the Tomcats in each game this season, and look where they are. Hats off to Rufus Lassiter and staff. Lady Luck and the Tomcat squad. That combination just might produce more miracles down the road.

IN MEMORIAM

Coach Carl Walker

After a lengthy battle with cancer, Coach Carl Walker departed this life in the spring of 1982. He had been the freshman football coach for many years, and he taught health and history. He was a beloved native son in that he was a star football player and a graduate of the old Haywood County High School. He was also a star athlete at Murray State University. He was married to Suzette Mann Walker, who is a former teacher of many of our students.

Coach Walker had devoted his career to the athletic program of Haywood High School, and he will be greatly missed by students and teachers alike.

It is to his memory that this yearbook is dedicated.

BECAUSE OF A FRIEND

Life is a sweeter, stronger, fuller;
more gracious thing
for the friend's existence,
whether he be near or far.
If the friend is close at hand,
that is best; but if he is far away
he is still there to think of,
to wonder about, to hear from, to write to,
to share life and experience with,
to serve, to honor, to admire, to love.

--Arthur Christopher Benson

To Angela

a very sweet person with a matching personality. Someone whom I known Since Denmark which has been about 10 years. Someone whom I've grown ~~grown~~ very close to over these many years. I feel that you are like a sister to me too. I feel that we will continue to be friends forever because you are very easy to get alone with because you have such a great personality. I also think that you are very crazy at times and you are fun to be around. I feel that whatever you ~~are~~ try to accomplish in life you will ~~succeed because~~ you have the knowledge to accomplish these goals. you are out to achieve. I think you are capable of getting the best things out of life you ~~are~~ know that no one deserves it more than you do. Your warm smiles and great sense of humor make people feel welcome around you. I was really glad you decided to come back to West High after the time you've spent at Haywood High, because I really missed you and I'm sure other people did too. I'm glad you decided to come back and be with your many friends here at west High. I wish you and Joel the very best ~~and~~ of luck in the many years to come. May your future be as bright as your Smile. May God be with you and continue to bless you because you really deserve it. I want you to always remember me because I will always remember you. Keep in touch.
